Multi Hazard Emergency Planning for Schools (G362)

DATE:	November 3 rd , 2011
Location:	Riverside Police Department Community Room 10540 Magnolia Ave., Ste B. Riverside, Ca. 92505
Description:	1 day/ 8 hour course
Course Information:	DHS Approval Number- DHS-092-RESP

Description: This course is designed to help students from school districts (public and private) recognize the need to plan for all types of disasters/emergencies including school violence. Concept of Standardized Emergency Management System (SEMS) and Emergency Management principles will be discussed.

Issues regarding disaster/emergency prevention, mitigation, preparedness, response and recovery phases will be discussed. Students will receive disaster plan templates and reference material to assist them when they return to their districts.

The Multi Hazard Emergency Planning for Schools course can be used as an elective course for individuals seeking to complete the California Emergency Management Agency's **Emergency Management Specialist Training Certificate Program**.

Tuition FREE for those who qualify: This course is funded by the Emergency Management Performance Grant (EMPG) which provides tuition-free training for CA State/Local First Responders and CA Emergency Management Agencies. Most non-profit agencies that are affiliated with the California Mutual-Aid Response System are also eligible. Federal employees are welcome to attend EMPG-funded courses for free, in limited numbers, if space is available. You will be placed on stand-by and will be notified two weeks prior to class start date of availability. Members of private industry are generally required to pay the cost-recovery tuition rate unless documentation that verifies you are sponsored by a CA Emergency Management Agency is provided. Please contact the Course Registrar for information on cost-recovery tuition rates.
